## COVID-19 Response Ministries Discussion

**Date/Time:** Friday, April 17th, 10:00 a.m.

**Location:** From the comfort of your own home via Zoom!

At the last Presbytery meeting, we reported that PSL Flood Recovery program was closing. Given the COVID-29 outbreak, I have been asked to continue temporarily as our Disaster Recovery Coordinator. I welcome the opportunity to serve in this capacity.

I am organizing a virtual Zoom discussion for Presbytery of South Louisiana congregations and individuals who are interested or actively responding to our communities during this challenging time.

### WHO SHOULD ATTEND

- ◆ Leadership for existing ministries that can be adapted to this response (food banks, disaster response ministries, spiritual/emotional care, elderly ministries, etc.)
- ◆ Individuals willing to volunteer with PSL and its partners (in-person and virtual opportunities available)
- ◆ Mission-minded leaders and individuals thinking of new ways to be of service in their communities.

**Remember, there are many ways you can respond while social distancing!** If you want to be God's Hands and Feet, there is no shortage of tasks! I look forward to serving with you in His Footsteps! — Christina Drake, PSL Disaster Recovery Coordinator
