

PSL Donation requests

(updated 9/17/21)

We in South Louisiana are thankful for the kind generosity of our neighbors across the country as we deal with immediate devastation of Hurricane Ida. We want to let people know what donation items will be helpful most right now, knowing that this list will change as we see the needs change.

To donate funds to the Presbytery's immediate response to the hurricanes, [click here](#).

Long term recovery / volunteer work crew options

The Presbytery of South Louisiana does have an active long-term recovery effort in the Lake Charles area, which is still in active recovery from the Hurricanes Laura and Delta in 2020. If your congregation or group is interested in coming and joining us in that effort, we have [more info here](#).
